## From Secretary's Desk

After completing my MBA from De Montfort University, Leicester, England (UK), I had a desire to contribute in the field of Education. To impart quality education in secondary school level or for higher education, a team of trained teachers is essential. What I personally feel, teachers play an important role in a student's life. To an extent, a teacher shows & shapes the student's career. So, it becomes important to develop resources that can make the teacher a perfect role-model for the students. However it is also known that learning and teaching are two different aspects. To help impart knowledge to others, one must undergo training on various aspects of teaching. In order to achieve this objective, we are offering B.Ed. & D.El.Ed. Course. Once a person completes the training, he/she is awarded with the respective degree. The salient features of this institution are : We offer our students highly qualified and dedicated faculty, state of the art infrastructure and facilities, a modernistic approach to education, good hands for training & individual focus on each student. I believe our effort to bring up this esteemed institution will surely give you enough reasons to opt us as your teacher's training institute. I appeal to each one of you to utilize every minute of your session, be attentive in both, theory & practical classes, take optimum use of library, submit assignments in time, co-operate with teachers and obey the rules laid down by the institution. Wishing you all the best for your future.

## SCIENCE AND MATHS RESOURCE CENTER

Science is not only knowledge but also an art. This art is explored, experimented & practiced in Science Resource Center. Science cannot be taught effectively without testing, experimentation & demonstration of the scientific facts. Science Resource Center is the place & means with the help of which all these necessary activities can be performed smoothly & effectively. Maths Resource center is a place where students can learn & explore mathematical concepts & verify mathematical facts & theories through a variety of activities using different materials. These activities may

be carried out by teacher or the students themselves to explore, to learn, to stimulate interest & favorable attitude towards maths. These aims are fulfilled by Science & Maths Resource centre setup in the college. Various experiments are done, models & charts are prepared by the students and extension lectures are delivered by educationists.

## LANGUAGE LAB

Language lab is set up in college because it is not only a place where learners perform language experiments but it is a special lab where language experiments can be practiced by speaking & listening with the help of sound equipment. It recognizes the individual differences and language aptitude of learner. It is self-learning device, designed in such a manner that a student can practice carefully produced pattern of drills. The College is well equipped with microphones, LCD projector with screen, CPU & many CD's to learn & speak English fluently.

## PSYCHOLOGY RESEARCH CENTER

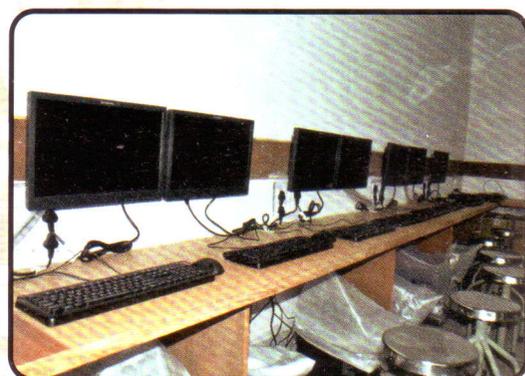

In any scheme of study there should be a close integration of theory with practice. We have curiosity to know intellectual level, interests, aptitudes, personality, adjustment etc. We can know such things about them through their measurements & these measurement are possible through relevant psychological tests. The college has a separate Psychology Laboratory which has sufficient psychological apparatus, tests, transparencies and CD's which are related to various aspects of human development and teaching learning process for conducting psychology experiments included in the B.Ed. Syllabus.

## HEALTH AND PHYSICAL RESOURCE CENTER

College have a fully health & physical resource center, it provides ample opportunity for student to indulge in indoor & outdoor sports activities. The students can avail of indoor games like chess, carom-board & outdoor games like badminton, volley ball. Our mission is to help provide students with adequate resources to excel in sports by creating environment which imbibes on ethics of sportsmanship. College aims to develop professional competence through physical & emotional development for benefit of student.

## ICT & IT LABORATORY

In this regard, the library is supported by 6738 educational Books & Journals & subscribes various Magazines & Newspapers. The library is constantly enriched and new material is added to keep abreast with latest changes and advancements in the field of education.

### Main objectives of library :

- ❖ To develop appropriate collections in various disciplines for satisfying the needs of the students.
- ❖ To provide reading, lending, reference, information and documentation facilities to all categories of staff and students.
- ❖ To support and facilitate the research, learning, teaching and administrative activities of the institution.
- ❖ To provide an appropriate and comfortable environment and facilities for the use of Library resources, and for individual and group study.

## ART & CRAFT RESOURCE CENTER

A well equipped art & craft resource center is established in college because canvas is the mode to express the inner feelings of students. It is said that colour speak for themselves. Art is soul of life , creativity is cultured with opportunities extended to the students in many forms. All the possible facilities & opportunities are extended to our students to engrave their minds & creativity.

## CONDUCT OF PRACTICAL

Practical will be held in the schools and teacher training colleges/institutions. As mentioned earlier, the practical course consist of school-based, workshop-based practicals, practical oriented assignments and practice teaching. These activities will be conducted in the schools. Besides, practical workshops with intensive face-to-face interaction to develop skills and competencies will also be organised. The student teachers will have to do practical work and various activities required for the development of teaching skills and competencies in the school under the guidance of the supervisor and principal/headmaster after taking due permission from the school concerned.

### Practical:
